

HARDWARE TOUCHPAD

Overview

With a clear display (options for rear and remote screens) and robust keyboard, providing a great layout with excellent functionality, this attractive and durable Touchpad POS terminal offers an effective POS solution for many circumstances.

The extensive keyboard accommodates more than 100 pre-programmed POS items. POS layouts can be modified and adjusted on the Back Office suite and then printed out for substitution into the POS terminal.

User accounts can be opened by swipe or smart card, PIN number.

Like all the other units it operates online, so that all transactions are immediately networked back to the PC where the relevant account and files are updated, recording every detail of the transaction.

Dimensions

- height 2 inches at front, 10 inches (max display elevation) at back of unit
- width 12 inches
- depth 16 inches

Power and communications

Each Touchpad terminal requires a single, dedicated 13 amp socket and a RJ45 box, each no more than 1 metre from the till position.

Testimonials

"We've worked with CRB for the last 5 years and they have proved to be an able and effective partner. Impact is a very robust and mature system that manages our cashless service with ease. We have looked at many similar products but no company could meet our needs with such flexibility. I have no hesitation in commending CRB for great service and a great product."

Brendan Murphy of Glasgow City Council

"The system is in 23 schools and is proving hugely successful, increasing revenue by 15% to 20%."

Bill Kennedy of Tayside Contracts

"As a three star local authority, we are proactive and progressive in our approach, and only work with suppliers who have the same attitude. With CRB, not only do we have a supplier that shares our enthusiasm for customer service, they are also generous with sharing their knowledge and expertise. The excellent training and support offered by CRB, made sure that we are all competent and confident when using the equipment."

Colin Ranson of Sunderland City Council
